Description of Change

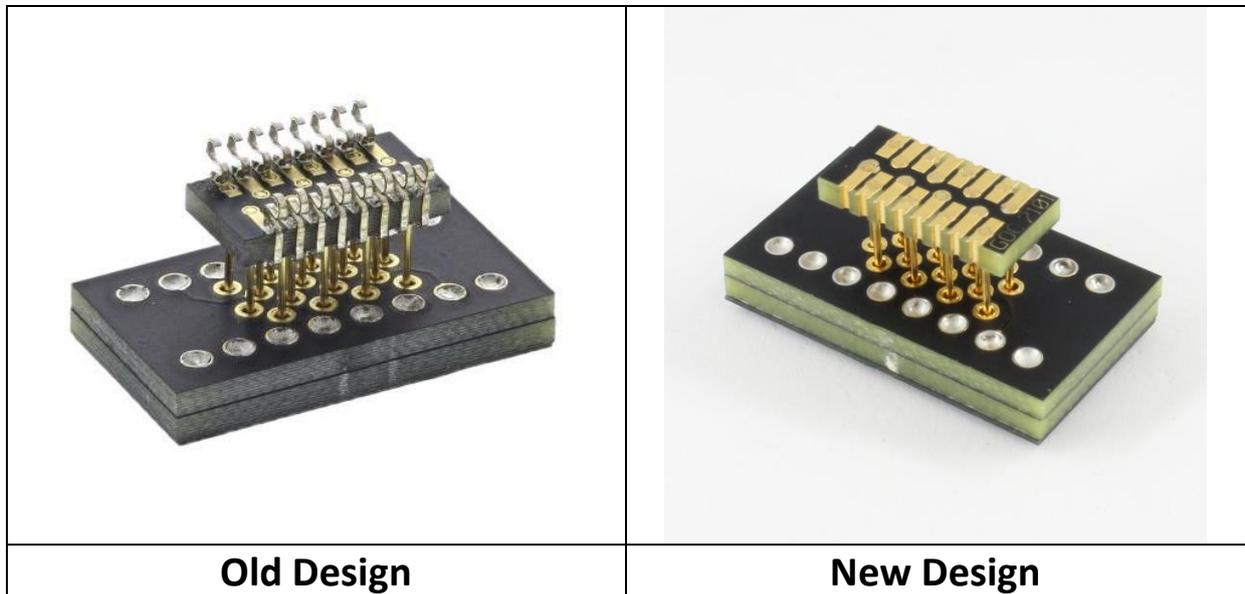

This notice is to advise our customers of a design revision for the Winslow Adaptics Ltd products listed below

Products impacted by the change are:

W9532PRC, W9533PRC, W9534PRC [240-6595](#), W9535PRC [240-6602](#) , W9536PRC, W9537PRC, W9538PRC, W9539PRC, W9540PRC [240-6624](#), W9541PRC, W9542PRC, W9543PRC, W9544PRC, W9546PRC, W9547PRC [240-6646](#), W9548RC, W9549RC, W9549PRC, W9550RC, W9553RC, W9555PRC, W9556RC

Reason for Change

A design change has removed the pins from the bottom board which interface with the target board. They have been replaced with a modern solution which is tried and tested in our product range.

Impact of Form, Fit & Function

The change reduces the height of the adapter by .090[2.28mm]. There are no functional changes to the adapter.
